

New Mexico Medicaid Prior Auth (PA) Code Matrix

- *THIS MATRIX IS NOT TO BE UTILIZED TO MAKE BENEFIT COVERAGE DETERMINATIONS.
- *We attempt to provide the most current and accurate information on this PA Matrix. Prior auth is required for all codes listed in this document for all providers unless an exception is noted.
- *Obtaining authorization does not guarantee payment. If there is a question that Prior Authorization is needed, please refer to your Provider Manual or submit a PA Request Form.
- *This Matrix is for Outpatient services.
- *All Inpatient Admissions and services require Prior Authorization including: Acute Hospitals, Skilled Nursing Facilities (SNF), Rehabilitation Facilities (AIR), or Long Term Acute Care Hospitals (LTACH) except as excluded by law.
- *All NON-PAR Providers require authorization regardless of services provided or codes submitted, except for Emergency Services, as delineated in the Prior Authorization guides, or as required by law.
- *Molina Clinical Services completes Utilization Management for certain Healthcare Administered Drugs. For any drugs listed in this document that has a temporary code, and are later assigned a new specific code, prior authorization will still be required.
