Updated Compliance Deadline – Culturally and Linguistically Appropriate Services (CLAS) Training Extended to December 31, 2026

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to the Medi-Cal line of business.

Attention Molina Healthcare of California Network Providers:

The California Department of Health Care Services (DHCS) requires all contracted network providers to complete Culturally and Linguistically Appropriate Services (CLAS) training as a condition of participation in the Medi-Cal Managed Care program.

Important Update:

DHCS has extended the CLAS training compliance deadline to December 31, 2026. Providers must complete the required training by this new deadline to remain compliant.

Molina Healthcare of California will share additional guidance and updates in the coming months, including reminders and any new resources available to support completion.

Molina is offering CLAS training via our new LMS:

- **Platform:** Training is delivered via the More Inclusive Healthcare (MIH) Learning Management System (LMS).
- **Registration:**
 - Providers can register using **only their unique NPI number**—no additional credentials are required.
 - **Group registration is not available:** Providers may not register as a group.
- **Alternate Completion:** If you have already completed CLAS training with another Medi-Cal Managed Care Plan (MCP) in your county, you must attest to completion in the MIH LMS for regulatory reporting.

Provider Action - REQUIRED
