## In-Office Laboratory Tests

The services below are allowed in a physician's office, for all lines of business. All other lab testing must be referred to an in-network laboratory. For a list of Molina's In-Network labs, visit [www.MolinaHealthcare.com](http://www.MolinaHealthcare.com).

**Please Note:** "PCP – Adult & Pediatric" Codes may be performed in-office by a PCP or a Specialist. These codes are considered "Stat" regardless of rendering specialty.

**Claims for tests performed in the physician's office but not listed below will be denied.**

Provider Specialty	Code	Description
