Provider Memorandum

Partnering With Healthmap Solutions for Kidney Services Starting February 1, 2023

Molina Healthcare of Illinois (Molina) has partnered with Healthmap Solutions (Healthmap) to provide a comprehensive care plan for members with Chronic Kidney Disease (CKD). Healthmap's Kidney Health Management (KHM) program provides support for you and your patients with CKD Stages 3, 4, 5, Unspecified and End-Stage Renal Disease (ESRD).

Effective **February 1, 2023**, the Healthmap KHM program will be available through Molina at no cost to you or your patients. Healthmap's platform assists your practice with advanced data and analytics and a multidisciplinary Care Management team to extend your ability to optimize health outcomes for your patients with kidney disease. Healthmap provides you with actionable insights to gaps in care and changes in your patient's condition while addressing kidney disease and its comorbidities.

To assist you with all aspects of care, Healthmap's Care Navigation team includes:

- Registered nurses
- Renal specialists
- Pharmacists
- Registered dietitians
- Licensed clinical social workers
- Behavioral health experts

Many resources are available to assist with ongoing consistency in care:

- Care coordination
- Education
- Therapy adherence coaching
- Medication management
- Assistance addressing social barriers to care

Healthmap Solutions delivers significant results when partnering with practices:

- Slowing progression of kidney disease
- Reducing unplanned dialysis starts
- Increasing in-home dialysis utilization and transplantation rates
- Decreasing hospital admissions and emergency department visits

The Healthmap Care Navigation team will be contacting you to provide additional information on how they can assist you and your patients. Meanwhile, to learn more about Healthmap, visit healthmapsolutions.com or call Healthmap at **(877) 546-7004**.

We look forward to this collaboration leading to improved health outcomes for your patients—our members.
