

# Availity Essentials is Molina Healthcare's exclusive provider portal

Availity Essentials is Molina Healthcare's only secure provider portal. Some of the core features available in Essentials for Molina include eligibility & benefits, attachments, claim status, smart claims, Payer Space (submit and check Prior Authorizations, as well as appeal status and appeal/dispute).

Several new features and enhancements have recently been added to Availity Essentials for Molina providers. In case you missed it, check out the latest enhancements, designed to simplify your workflows and reduce administrative burden:

What's new?	How does it benefit me?
<b>Claims Corrections</b>	Molina providers now have access to a new claims correction feature from the claim status page. Claims Correction allows you to correct and resubmit a paid or denied claim from the claim status response page.
<b>Overpayments</b>	Eliminate mail and fax for faster dispute resolution and ensure overpayment requests are up to date. View the status and details of any claim Molina has identified as an overpayment. Request additional information, dispute, or resolve the overpayment.
<b>Patient Search</b>	Save time entering patient information for eligibility and benefits inquiries. Enter the patient's member ID or last name, first name, and DOB, and select the patient matching the criteria. The information will automatically populate on the request.
<b>Molina Medicare Now Included in Molina Healthcare Payer Option</b>	Select only one option in the payer field. The Molina Medicare option no longer displays in the payer field. When you select the Molina Healthcare option for the region, the plan coverage for the member includes Dual-Eligible, Marketplace, Medicare, and Medicaid.
