## Nursing Facility Add-On Codes

Senior Whole Health (“SWH”) is reaching out to the network today to advise of an upcoming change to Nursing Home “Add On” Codes. Effective 9/1/2025, these codes will require Prior Authorization (“PA”). SWH reviews PA requirements on a quarterly basis and publishes them to our Prior Authorization Lookup Tool (“PA Lookup Tool”) at [molinahealthcare.com/providers/ma/swh/palookup.aspx](https://molinahealthcare.com/providers/ma/swh/palookup.aspx). The PA requirements for dual-eligible members (Medicare and Medicaid beneficiaries) are defined at the individual line of business.

Beginning 9/1/25 authorizations are to be submitted following the normal process with documentation to support the usage of add-on codes. Please refer to published materials through EOHHS including but not limited to [Nursing Facility Add On Guidance](#). As a reminder, the preferred method to submit PA requests is through our secure Availity Essentials Portal- register and login at [availability.com/molinahealthcare](https://availability.com/molinahealthcare). For any questions, reach out to your Provider Relations Manager, [SWHProviderRelations@MolinaHealthcare.com](mailto:SWHProviderRelations@MolinaHealthcare.com) or contact us at (855) 838-7999.

### Codes to be added for Authorization

- S0310
- S0311
- S0315
- S0316
- S0317
- S0320
- S0340
- S0341
- S0342
- S0353
- S0354
