**Progeny: (NICU Admissions)** P: 888-832-2006 | F: 833-734-1510

### Information generally required to support authorization decision making includes:

- Current (up to 6 months), adequate patient history related to the requested services.
- Relevant physical examination that addresses the problem.
- Relevant lab or radiology results to support the request (including previous MRI, CT, Lab, or X-ray report/results).
- Relevant specialty consultation notes.
- Any other information or data specific to the request.

*The Urgent / Expedited service request designation should only be used if the treatment is required to prevent serious deterioration in the member's health or could jeopardize their ability to regain maximum function. Requests outside of this definition will be handled as routine / non-urgent.*

### Turn Around Time Expectations:

- **Pre-authorization/Standard/Non-Urgent:** Molina's decision must be made as fast as the Member requires or within three (3) business days of receipt of necessary information but no more than fourteen (14) days of the request.
- **Concurrent:** Molina decision must be made and notify Member/Member's Representative and Provider by phone and writing within one (1) business day of receipt of necessary information.
- **Urgent/Expedited:** Molina's decision must be made within seventy-two (72) hours of receipt of expedited request.
