

Dear Provider:

Effective September 1, 2025, Molina Healthcare of Texas is removing the gold card designation for all non-LMHA providers who provide targeted case management and mental health rehabilitation services to Molina Medicaid members.

The removal of the gold card designation will require all non-LMHA providers to submit prior authorization requests for targeted case management and mental health rehabilitation services for dates of service on or after September 1, 2025.

For prior authorization requirements, please reference Molina's Provider Manual, located at MolinaHealthcare.com.

For question related to this change, please contact our Value-Based Contracting Team at MHTVBC@MolinaHealthcare.com.

Sincerely,
Molina Healthcare of Texas
