

Dear Provider,

Thank you for your commitment to serving Molina Healthcare of Texas members. This notice is to inform you of a change to the attendant service reimbursement rate.

In July 2025, HHSC published proposed rates and held a rate hearing outlining changes to the attendant service reimbursement rates that will be effective September 1, 2025.

Beginning September 1, 2025, Texas Health and Human Services Commission (HHSC) will be increasing rates for identified attendant services and is discontinuing the Attendant Compensation Rate Enhancement program (ACEP). Information on the rate increase can be found on the HHSC website at: <https://pfd.hhsc.texas.gov/rate-packets>. Providers participating in the ACEP program will continue to receive their respective rate enhancement add-on payment for dates of service through August 31, 2025.

Any claims for dates of service on or after September 1, 2025, that are processed before the new rates are finalized by HHSC and configured in our system will be reprocessed once HHSC releases the official, approved rates.

Provider attestations for the ACEP program are no longer required for 2025 due to the discontinuation of the program.

For questions regarding this change, please contact your Provider Relations Representative at MHTXHomeHealth@MolinaHealthcare.com.

Sincerely,
Molina Healthcare of Texas, Inc.
