Introduction

Welcome to Molina

Molina knows that picking the health plan that is right for you and your family is important. We work with many doctors, clinics, and hospitals so you can get the care you need. We look forward to you joining the Molina family. If you have any questions, call Member Services at 1-866-449-6849.

What is STAR+PLUS?

It is a Texas Medicaid managed care program. It gives health care, acute and long-term services and support through a managed care system.

PRIMARY CARE PROVIDER

What is a Primary Care Provider?

A Primary Care Provider is your main doctor. It can also be nurse, or clinic. This doctor knows you well. Your main doctor will treat most of your healthcare needs. If he cannot, you will be referred to a provider who can.

Picking a Primary Care Provider

You can pick any doctor in this booklet. Everyone in your family can pick their own doctor. Once you have picked a main doctor, call Member Services at 1-866-449-6849. Call to tell us the name of your main doctor.

If you have Medicare and Medicaid your Primary Care Provider will be covered by Medicare. You do not need to pick one from this booklet.

Picking an OB/GYN

You can pick any OB/GYN doctor from this booklet. You don't need a referral from your main doctor. Your OB/Gyn can care for your female health care needs. This includes your pregnancy and family planning needs.

Family Planning

You can get education about how to prevent pregnancy from your doctor. You can also go to any Medicaid family planning doctor or clinic. You do not need a referral for family planning services. You can call Member Services at 1-866-449-6849 for help finding a family planning doctor or clinic near you.

Behavioral Health Care Services

Behavioral Health Services include mental health, alcohol, and substance abuse treatment. Molina has doctors and clinics who can help you. You may pick any behavioral health provider from this booklet without a referral from your doctor. If you have questions about behavioral health services, please call 1-800-818-5837.

Texas Health Steps Medical Checkups for Children

Regular checkups help children stay healthy. Texas Health Steps gives free medical and dental checkups to children, including immunizations. You can go to a Texas Health Steps provider in this booklet. You do not need a referral. If you need help finding a provider, call Molina at 1-866-449-6849.

Ancillary Providers

You can call Molina Member Services for a complete listing of these providers. Provider types include Dental, Radiology, Lab and Urgent Care Facilities.

Pharmacy

You can get your prescriptions at most pharmacies including Albertson's, Brookshire, CVS, HEB, Kroger, Randalls, Sam's Club, Target, Tom Thumb, Walgreens, and Wal-Mart. If you need help finding a drug store, call 1-866-449-6849. You can also find a pharmacy on our website: www.molinahealthcare.com. You can click on the find a pharmacy link.
