

Provider Bulletin

Molina Healthcare of Washington, Inc.

September 10, 2025

Revised - Update to Vision Services Billing Medicaid

Molina Healthcare of Washington Inc. would like to share a change regarding billing for Vision Services.

This is an update to the previous Provider Bulletin. Molina would like to clarify that effective September 1, 2025, routine eye care services are administered through VSP (Vision Service Plan).

For further clarification on which codes are considered routine vision services and should be billed to VSP, and which are considered non-routine vision services please review the updated Vision Services Billing guide.

This guide is located on our website under Provider Toolkits and resources at <https://www.molinahealthcare.com/providers/wa/medicaid/resource/Provider-Toolkits-and-Resources.aspx>.

If you have any questions or need further clarification regarding the updates, please do not hesitate to reach out. You can contact the Provider and Member Contact Center at (800) 869-7165, TTY 711, or VSP at (800) 615-1883 for assistance.

Thank you for your attention to this matter.
