Your Medical Home

One of the most important steps in taking care of your health is establishing a **medical home**. When you choose a primary care provider (PCP), you are choosing a medical home. A PCP is the healthcare provider, such as a family doctor or pediatrician, who will help you with most of your medical needs.

Your PCP will give you care, offer advice, and refer you to a specialist when necessary. It is important that you pick a PCP who meets your needs and whom you are comfortable with.

Picking a PCP is important. When you find a good PCP, you can develop a lasting relationship that will help to ensure a healthcare partnership for years to come.

Primary Care Provider

You can get services from any provider who is in our network and accepting new members. First, you will need to choose a Primary Care Provider, or PCP. If you do not choose a PCP, we will assign one to you.

You can choose a Primary Care Clinic as your PCP instead of an individual provider. If you choose a Primary Care Clinic as your PCP, you will be assigned to the clinic. You must see whichever provider is available. The Primary Care Clinic can act as your PCP and is listed on your member ID card.

You can use the Internet to view the Molina Healthcare provider directory online at www.MolinaHealthcare.com. Did you know that you can use the Internet for free at most public libraries? There are even a number of companies that allow you to set up free email accounts. If you need help learning to use the Internet, ask your librarian.

To choose a PCP, go to the list of providers on page 944 and:

- Choose a provider that you use now, or
- Choose a provider who has been recommended by someone you trust, or
- Choose a provider whose offices are easy to go to.

If you want help in choosing a PCP, please call Member Services at 1-800-642-4168 from 7 A.M. to 8 P.M., Monday through Friday. TTY users should call 1-800-750-0750 or 711. The call is free. Or visit Molinahealthcare.com/members/oh.

If you have questions about whether any service or care that you want or need is covered, talk to your care manager if one is assigned, or call Member Services to ask about a care manager, or steps you need to take **before** you get the service or care.

If you do not choose a PCP, Molina Healthcare will choose one for you. When we make this choice for you, we will take your home address, the language you speak and the providers your family members see into consideration. However, it is preferable that you pick your own PCP. You are the person who can best make the decision.

Once you have a PCP, you should schedule a checkup soon, even if you are not sick. During the appointment, you will have a chance to get to know your PCP and to ask a number of questions that will help you develop a good relationship.

If you have questions, please call Molina at (800) 642-4168 (TTY 800-750-0750 or 711) from 7 a.m. to 8 p.m., Monday through Friday. If you need to speak to your care manager, please call (800) 642-4168 from 7 a.m. to 8 p.m., Monday through Friday. These calls are free. **For more information**, visit Molinahealthcare.com/members/oh.

You can reach your PCP by calling the PCP's office. Your PCP's name and telephone number are printed on your Molina Healthcare ID card.

Check the PCP listed on your ID card to be sure that it is correct. If the PCP on your ID card is not the PCP you are seeing, call us. We will be sure that your provider is participating with Molina Healthcare and will send you an updated ID card. Ifyou would like to see a different PCP than the one listed on your ID card, call Molina Member Services and we will help you select a participating provider.

If you would like to know more about your PCP or other Molina Healthcare providers, call Molina Member Services. We can provide you with information about your provider's professional qualifications, such as medical school attended, residency completed, and board certification status. We can also tell you the languages your provider speaks. You can also request this information by calling your provider.

Changing Your PCP

If for any reason you want to change your PCP, you must first call Molina Healthcare Member Services to ask for the change. You can change your PCP monthly, if needed.

If you wish to change the PCP Molina Healthcare chose for you and you call us within the first month of becoming a member, the change will be effective the day you call. All other PCP changes are effective the first day of the following month. Molina Healthcare will send you a new ID card to let you know that your PCP has been changed and the date you can start seeing the new PCP.

Key Terms

This section explains key terms you'll see in our Provider Directory.

- **Providers** are healthcare professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. Services include medical care, vision care, supplies, equipment, and other services.
    - The term "providers" also includes facilities such as hospitals, clinics, substance use disorder residential treatment facilities, and other places that provide medical services, and medical equipment. Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to deliver services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing or your share of the cost.
- **Telehealth** enables you to receive healthcare services from your providers through electronic communication that includes both audio and video, telephone calls, remote patient monitoring; or communication through secure electronic mail or secure patient portal. Providers who offer telehealth services are identified by a 💻.
- **Primary Care Provider (PCP)** is a provider who gives you routine healthcare. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide healthcare services for a specific disease, condition, or part of the body. There are many kinds of specialists. Here are a few examples: Cardiology, Orthopedic Surgery and Allergy & Immunology.

If you have questions, please call Molina at (800) 642-4168 (TTY 800-750-0750 or 711) from 7 a.m. to 8 p.m., Monday through Friday. If you need to speak to your care manager, please call (800) 642-4168 from 7 a.m. to 8 p.m., Monday through Friday. These calls are free. **For more information**, visit Molinahealthcare.com/members/oh.

- **Primary Care Clinics** can be your PCP instead of an individual provider. If you are assigned to a Primary Care Clinic then you must see any provider who is available. The Primary Care Clinic will be listed on your Member ID Card.
- You also have access to a care manager and a care team that you choose. Your PCP will work closely with your care manager and care team. Your care team also will work closely with all team members, including OhioRISE providers and are care coordinators when applicable.
    - Your **care manager** helps you manage all your providers and services. They work with your care team to make sure you get the care you need.
    - Your care team includes your Primary Care Provider, Care Manager and any other healthcare professional or support staff. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

Pharmacy Providers

When you need pharmacy services, we will help you coordinate services with the Ohio Medicaid Single Pharmacy Benefit Manager (SPBM). The SPBM is a specialized managed care entity contracted to administer Ohio Medicaid's prescription drug program.

You can choose from any available network pharmacy. A directory of available pharmacies can be found at: https://spbm.medicaid.ohio.gov. Here, you can also find details about the SPBM program, including access to the SPBM member handbook, the Ohio preferred drug list, and information on prior authorization.

Single Pharmacy Benefit Manager (SPBM)

A pharmacy's participation in SPBM is voluntary. Please check the SPBM Provider Directory at **https://spbm.medicaid.ohio.gov** to find pharmacies in your area. Check back regularly as the SPBM pharmacy network continues to grow.

OhioRISE providers

We also will help you coordinate services with the OhioRISE plan if you or your child are enrolled in this specialized behavioral health program. You can find information about the OhioRISE plan and available network providers at: AetnaBetterHealth.com/OhioRISE.

How to Identify providers in Molina's Network

You must get all your covered services from providers within our network to avoid extra out-of-pocket expenses. These providers have an agreement to work with us and provide you services. We call these providers "network providers".

The exceptions to this rule are when you need emergency care, or behavioral health services through a facility, and you cannot get a provider in the plan, such as when you are away from home. Also, for a limited period of time after your enrollment with Molina, you can see your out-of-network physicians and other service providers.

You can also go outside the plan if Molina gives you permission first. Call Member Services to ask to use providers outside of our network, so we can make arrangements for you.

If you have questions, please call Molina at (800) 642-4168 (TTY 800-750-0750 or 711) from 7 a.m. to 8 p.m., Monday through Friday. If you need to speak to your care manager, please call (800) 642-4168 from 7 a.m. to 8 p.m., Monday through Friday. These calls are free. **For more information**, visit Molinahealthcare.com/members/oh.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing your medical groups. When you ask for the change, be sure to tell Member Services if you are seeing a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- Molina works with all the providers in our network to accommodate the needs of people with physical disabilities, such as having accessible offices and exam rooms. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodation you need, Molina can help you. Talk to your care team for assistance.
