Benefit Name	EMERGENCY AND URGENT SERVICES
Applicable State	California, Florida, Idaho, Illinois, Kentucky, Michigan, Mississippi, New Mexico, Ohio, South Carolina, Texas, Utah, Washington, Wisconsin
Benefit Definition	<p>This policy addresses emergency services and urgently needed services. Please refer to the <u>No Surprises Act Benefit Interpretation Policies</u> for each Marketplace state</p> <p>Covered benefits are listed in three (3) Sections - A, B and C. All services must be medically necessary. Each benefit plan contains its own specific provisions for coverage, limitations and exclusions as stated in the member’s Evidence of Coverage (EOC)/Schedule of Benefits (SOB). If there is a discrepancy between this policy and the member’s EOC/SOB, the member’s EOC/SOB provision will govern.</p> <p>Essential Health Benefits for Individual and Small Group (Only for Emergency Services)</p> <p>For plan years beginning on or after January 1, 2014, the Affordable Care Act of 2010 (ACA) requires fully insured non-grandfathered individual and small group plans (inside and outside of Exchanges) to provide coverage for ten categories of Essential Health Benefits (“EHBs”). Large group plans (both self-funded and fully insured), and small group ASO plans, are not subject to the requirement to offer coverage for EHBs. However, if such plans choose to provide coverage for benefits which are deemed EHBs (such as maternity benefits), the ACA requires all dollar limits on those benefits to be removed on all Grandfathered and Non-Grandfathered plans. The determination of which benefits constitute EHBs is made on a state by state basis. As such, when using this guideline, it is important to refer to the member specific benefit document to determine benefit coverage.</p> <div data-bbox="456 1570 1226 1608" style="border: 1px solid black; padding: 2px;"> <p>A. EMERGENCY SERVICES

CALIFORNIA:

Emergency Services: Emergency Services are available 24 hours a day, 7 days a week for Members. Members who think they are having an Emergency should call **911** right away and go to the closest Emergency facility. When receiving Emergency Services, Members should bring their Member ID card. Members who do not believe they need Emergency Services but who need medical help should call the 24-Hour Nurse Advice Line toll-free or contact their PCP. Members should not go to an Emergency room if the condition is not an Emergency.

Emergency Services When Out of Service Area: Members should go to the nearest Emergency room for care when outside the Molina Service Area when they think they are having an Emergency. Please contact Member Services within 24 hours or as soon as possible.

Emergency Services by a Non-Participating Provider: Emergency Services for treatment of an Emergency Medical Condition are subject to Cost Sharing. This is true whether Emergency Services are provided by Participating Providers or Non-Participating Providers. Members should refer to the Cost Sharing for Emergency Services in the Schedule of Benefits.

Important: Except as otherwise required by State Law, when Emergency Services are received from Non-Participating Providers for the treatment of an Emergency Medical Condition, claims for Emergency Services will be paid at Molina's Allowed Amount. A Non-Participating Provider in California may not Balance Bill a Member for the difference between Molina's Allowed Amount and the rate the Provider charges for Emergency Services.

Mandatory Transfer to a Participating Provider Hospital: Prior Authorization is required to get Hospital services, except in the case of Emergency Services. For Members who are admitted to a Non-Participating Provider facility for Emergency Services, Molina reserves the right to require a transfer to a Participating Provider facility once the Member has stabilized sufficiently. If Molina requires a transfer, Molina will work with the Member and their Provider to provide transportation to a Participating Provider facility. If the Member's coverage terminates during a Hospital stay, the services received after the termination date are not Covered Services. If the Member's Provider determines they are stable for transfer and Molina arranges for transfer to a Participating Provider facility, and the Member refuses the transfer, additional services provided in the Non-Participating Provider facility are not Covered Services, the Member will be 100% responsible for payments, and the payments will not apply to the Deductible or OOPM.

Emergency Services Outside the United States: Covered Services include Emergency Services while traveling outside of the Service Area. This includes travel outside of the United States. For Emergency Services while traveling outside the United States, Members should use that country's or territory's emergency telephone number or go to the nearest emergency room.

Members who receive Emergency Services while traveling outside the United States will be required to pay the Non-Participating Provider's charges at the time, they obtain those services. Members may submit a claim for reimbursement to Molina for charges that they paid for Covered Services received from the Non-Participating Provider.

Members are responsible for ensuring that claims and/or records of such services are appropriately translated. They are also responsible for ensuring that the monetary exchange rate is clearly identified when submitting claims for Emergency Services received outside the United States. Medical records of

treatment and service may also be required for proper reimbursement from Molina. Claims for reimbursement for Covered Services should be submitted to the mailing address on the first page of this Agreement.

Claims for reimbursement of Covered Services for Members traveling outside the United States must be verified by Molina before payment can be made. Molina will calculate the Allowed Amount that will be covered for Emergency Services while traveling outside of the Service Area, in accordance with applicable state and federal laws.

Because these services are performed by a Non-Participating Provider, Members will only be reimbursed for the Allowed Amount. The Allowed Amount may be less than the amount the Member was charged by the Non-Participating Provider. Members will not be entitled to reimbursement for charges for health care services or treatment that are not covered under this Agreement.

Members are not subject to Balance Billing for Emergency Services.

Post-Stabilization Services Rendered by a Non-Participating Provider: Except as set forth below when transfer to a Participating Provider Hospital is appropriate, or when any other benefit exclusions apply, Molina covers Post-Stabilization Services obtained from Non-Participating Providers in accordance with State and Federal law. Covered Post-Stabilization Services, whether from Participating Providers or Non-Participating Providers, are subject to the Cost Sharing for Emergency Services in the Schedule of Benefits at the in-network level. Under Texas Senate Bill 1264, an Out-of-Network Provider that rendered Emergency Care, an Out-of-Network facility based Provider that performed Services in an In-Network Facility, and an Out-of-Network diagnostic imaging

Provider or laboratory service Provider that performed Services in connection with In-Network care, may not be permitted to bill the Member for an amount greater than the applicable Copayment, Percentage Copayment or Deductible under the Plan. The applicable Copayment, Percentage Copayment and Deductible for such Services will be based on the amount initially determined payable by Molina or a modified amount as determined under Molina's internal appeal process. However, the Member's Copayment, Percentage Copayment and Deductible will not be based on any additional amount determined to be owed to the Out-of-Network Provider under Insurance Code Chapter 1467 (relating to Out-of-Network Claim Dispute Resolution).

If the Member's coverage terminates during a Hospital stay, the services received after the termination date are not Covered Services.

If the Member's Provider determines they are Stable for transfer and Molina arranges for transfer to a Participating Provider facility, and the Member refuses the transfer, additional services provided in the Non-Participating Provider facility, including Post-Stabilization Services, are not Covered Services.
