MULTIPLE MEDI-CAL AFFILIATIONS

This is an advisory notification to Molina Healthcare of California (MHC) network providers regarding multiple Medi-Cal Primary Care Provider (PCP) affiliations in Los Angeles County.

OVERVIEW

MHC is pleased to announce that we are changing our single PCP affiliation business rule for Los Angeles County. This will allow us to be consistent with practices in other MHC counties.

Effective October 1, 2018, MHC will be introducing multiple affiliations to MHC PCPs for the Medi-Cal line of business. PCPs are allowed up to three (3) PCP affiliations to be included in our provider directories and Molina system.

Please note that your existing MHC members currently assigned will not be moved to other affiliations. Additional PCP affiliations will be activated 30 – 60 days after MHC receives your multiple affiliation request. Once activated, new members may select you as their PCP at other affiliations going forward.

Regarding member assignment, if a member chooses the exact affiliation, they will be assigned to that selected affiliation. If no affiliation is selected and multiple affiliations are found at the same site location, assignment is randomized.

QUESTIONS

If you have any questions regarding the notification or would like more information on obtaining additional affiliations, please contact your Molina Provider Services Representative at (855) 322-4075.
