

## **Marketplace Prior Auth (PA) Code Matrix**

Effective Q3, 2025

## THIS MATRIX IS NOT TO BE UTILIZED TO MAKE BENEFIT COVERAGE DETERMINATIONS.

We attempt to provide the most current and accurate information on this PA Matrix. Obtaining authorization does not guarantee payment. The plan retains the right to review benefit limitations and exclusions, beneficiary eligibility on the date of the service, correct coding, billing practices and whether the service was provided in the most appropriate and cost-effective setting of care. If there is a question that Prior Authorization is needed, please refer to your Provider Manual or submit a PA Request Form.

This Matrix is for Outpatient services.

All Elective Inpatient Admissions to Acute Hospitals, Skilled Nursing Facilities (SNF), Rehabilitation Facilities (AIR), or Long Term Acute Care Hospitals (LTACH) require Prior Authorization except as excluded by law.

No PA is required for office visits at Participating (PAR) Network Providers.

All NON-PAR Providers require authorization regardless of services provided or codes submitted, except for Emergency Services, as delineated in the Prior Authorization guides, or as required by law.

Molina Clinical Services completes Utilization Management for certain Healthcare Administered Drugs. For any drugs on the prior authorization list that use a temporary C code or other temporary HCPCS code that is not unique to a specific drug, which are later assigned a new HCPCS code, will still require prior authorization for such drug even after it has been assigned a new HCPCS code, until otherwise noted in the Prior Authorization list.
