

## Applies to Marketplace Prior Authorization Codification List

**Effective: 1/1/2021**

### Important Notices

These codes are for outpatient services only. All inpatient services require Prior Authorization (PA).

Any exceptions included in this prior auth code matrix applies to PAR providers only.

All non par providers require authorization regardless of services or codes.

All codes listed require PA unless there is a plan-specific exception.

For 2021, the POS11 "exception" for procedures done in a PAR provider office will no longer be effective. For any code that requires PA, it will require PA in ALL POS (except emergency locations).

Referrals to PAR/Network Specialists do not require PA.

Some services listed may not be covered by the Centers for Medicare & Medicaid Services (CMS) or your local State Medicaid or Marketplace agency. Likewise, the absence of a code from this list should not be used to determine whether a service is or is not covered by your regulatory agency.

This document should not be utilized to make benefit limitations and coverage determinations. Please refer to your regulatory agency for benefit limitations/coverage and specific non-covered codes.

Non-PAR Offices/Providers/Facilities : PA required for Non-Par Office Visits, Surgical Procedures, Labs, Diagnostic Studies, In patient stays except for: Emergency Department Services, Professional Fees associated with an Emergency Department visit and approved Ambulatory Surgical Center (ASC) or inpatient stay, Local Health Department (LHD) Services, and other services based on State requirements.

PA is not a guarantee of payment for services. Payment is made in accordance with a determination of the member's eligibility on the date of service (for Molina Marketplace members, this includes grace period status), benefit limitations/exclusions and other applicable standards during claim review, including the terms of any applicable provider agreement. For additional information on a member's grace period status, please contact Molina Healthcare.

All Long Term Services and Support Codes Require PA regardless of the code(s).

To search this document, use [Ctrl+F] keys, enter Service or Code in Navigation pane; press Enter

### Legend:

PA: Prior Authorization | PAR: Participating Provider | Non-PAR: Non-Participating Provider

To validate coverage by site of service, please reference the appropriate appendices below. Services not designated as a covered service in the applicable appendix, based on the location and type of service, are not reimbursable in accordance with Ohio Administrative Code (OAC) rules, unless PA is obtained. PA is always required for non-covered or non-grouper surgical codes (codes not listed in the appendices designated for the site of service).

Site of Service	Appendix	OAC
Physician Services	Appendix DD	5160-1-60

## Healthcare Administered Drugs

### Pharmacy Drug Coverage

Newly FDA approved medications such as “buy-and-bill” drugs are considered non-formulary and subject to non-formulary policies and other non-formulary utilization criteria until a coverage decision is rendered by the Molina Pharmacy and Therapeutics Committee. “Buy-and-bill” drugs are pharmaceuticals which a provider purchases and administers, and for which the provider submits a claim to Molina for reimbursement.

Many self-administered and office-administered injectable products require Prior Authorization (PA). In some cases they will be made available through Molina Healthcare’s vendor, Caremark Specialty Pharmacy. Molina’s pharmacy vendor will coordinate with MHC and ship the prescription directly to your office or the member’s home. All packages are individually marked for each member, and refrigerated drugs are shipped in insulated packages with frozen gel packs. The service also offers the additional convenience of enclosing needed ancillary supplies (needles, syringes and alcohol swabs) with each prescription at no charge. Please contact your Provider Relations Team with any further questions about the program.

**Home Health Care Services**

PA required for all home health services after initial evaluation plus six (6) visits per calendar year. The visits are for a combination of services, not per discipline. This benefit is the member's benefit per calendar year, not per provider or each start of care.
