Senior Whole Health Medicare Complete Care (HMO D-SNP) 2024 Pharmacy Directory

Section 3 - Pharmacy Introduction: This booklet provides a list of Senior Whole Health Medicare Complete Care's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Senior Whole Health Medicare Complete Care's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means *Molina Healthcare Inc.* When it refers to "plan" or "our plan," it means *Senior Whole Health Medicare Complete Care.*

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Senior Whole Health Medicare Complete Care only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 04/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called "**CVS Caremark Mail Service Pharmacy Program.**" For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Bronx, Kings, Nassau, New York, Orange, Queens, Richmond, Rockland, Westchester counties, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the service area of: Bronx, Kings, Nassau, New York, Orange, Queens, Richmond, Rockland, Westchester counties or, please contact us at (833) 671-0440, TTY users should call 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time .

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

All pharmacies listed in this directory are available in our network. To locate a pharmacy within our network, please find the type of pharmacy, then your county, city, and zip code. You can then see the pharmacy names and other information.

Total Count/Cuenta total: 1

You can get prescription drugs shipped to your home through our network mail order delivery program which is called “**CVS Caremark Mail Service Pharmacy Program.**”

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program “**Auto Refill and Renewal.**” Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us “14 days” before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling (844) 757-0424; TTY users should call 711. We are available 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (844) 757-0424; TTY users should call 711. We are available 24 hours a day, 7 days a week.

Puede recibir medicamentos recetados enviados a su hogar a través del programa de envío de pedidos por correo de nuestra red, llamado “**Programa de Servicio de Farmacia por Correo de CVS Caremark.**”

Para renovar sus recetas médicas pedidas por correo, tiene la opción de inscribirse en un programa de resurtido automático, “**Auto Refill and Renewal.**” En este programa, comenzaremos a procesar la siguiente renovación automáticamente cuando nuestros registros indiquen que está a punto de quedarse sin su medicamento. Nos comunicaremos con usted antes de enviar cada renovación para verificar si necesita más medicamentos. Puede cancelar las renovaciones programadas si tiene una cantidad suficiente de medicamentos o si estos cambian. Si decide no utilizar el programa de renovación automática, comuníquese con nosotros 14 días antes de la fecha en que considera que se le terminarán los medicamentos que le quedan a fin de garantizar que su siguiente pedido se envíe con tiempo. Para dejar de participar en el programa de resurtido automático, comuníquese con nosotros llamando al (844) 757-0424. Los usuarios de TTY deben llamar al 711. Las 24 horas del día, los 7 días de la semana.
