Welcome to Molina Complete Care

This provider directory lists the behavioral health doctors and specialty physicians in your area who work with Molina Complete Care (MCC). These providers are included in our network and serve Commonwealth Coordinated Care Plus members, including Medicaid Expansion members. We also list the names and locations of hospitals and clinics with behavioral health providers. For each provider we will list affiliations, accommodations for people with disabilities, addresses, phone numbers, websites and whether they are accepting new patients.

To see the most current list of all other providers, use the Find a Doctor or Pharmacy tool on our website at www.MCCofVA.com.

Behavioral health services

We know that staying healthy is not just about your body. Many people struggle with behavioral health challenges such as depression, anxiety or misuse of drugs and alcohol.

You can get help finding a behavioral health or substance abuse provider by calling Member Services. You can also find a list of behavioral health providers in this directory. You do not need a referral for substance abuse appointments. Through our Behavioral Crisis Line, someone is available to help you 24 hours a day, seven days a week.

Where to go for emergency care

An emergency is a sudden or unexpected illness, severe pain, accident or injury that could cause serious injury or death if it is not treated right away.

If this happens to you or your child, call 911 or go to the closest emergency room right away. You do not need to call MCC first. You do not need to get pre-approval from us for emergency services. You can go to any hospital for emergency care, even if you are in another city or state. Tell them you are an MCC member and show them your member ID card.

Emergency transportation

If you are having a medical emergency and need a ride, call 911. We will pay for emergency transportation.

Get a ride to your covered services

Need a ride to your medical appointments? Please try to get a family member, friend or neighbor to help you get to your appointment. If you aren't able to find a ride, we'll help you get there. Call us at 1-800-424-4524 (TTY 711) to set up a ride. Please call at least 72 hours before your appointment.
