

Dear Provider:

Re: Important information regarding your participation with Molina Healthcare of Florida

Effective January 1, 2022, Molina Healthcare has expanded their freestanding Physical, Occupational, and Speech Therapy network by contracting with Health Network One, Inc. (HN1)/American Therapy Administrators of Florida (ATA-FL) to manage, credential, and pay claims for our Medicaid members.

If you already have a contract with ATA-FL and are in their network, you are all set. As of January 1, 2022, you will be able to continue to provide services to Molina Healthcare members under your contract with American Therapy.

If you are not currently participating in ATA-FL's network, please contact their Provider Relations Department at 1-888-550-8800 (option 2) or you may also complete the request online via <https://ataflorida.com/join> to request network participation. We encourage you to contract with American Therapy Administrators and participate in their network.

If you choose not to participate in ATA-FL's network, we will initiate a termination of your contract with Molina Healthcare. You will however be allowed to continue to see any Molina members under your active care during the 60-day period following the effective date of the termination of your contract with Molina. This is known as the continuity of care period.

During the continuity of care period, you will continue to submit claims to ***Molina*** as follows:

- Electronic claims submission (EDI) – Change Healthcare (formerly Emdeon)
 - Molina Healthcare Payer ID: 51062
- Paper - CMS 1500 Form
- Provider Portal – <https://provider.molinahealthcare.com/Provider/Login>
