

# Coming soon!

Molina Healthcare is making it easier to submit appeals and disputes in the Availity Provider Portal.

These updates are designed to improve routing accuracy, reduce processing delays and ensure requests are sent to the right team.

## What's changing

We are improving how appeals and disputes are submitted by:

- Simplifying the submission screen to reduce steps and improve clarity
- Enhancing attachment handling, including:
  - The ability to select an attachment type
  - Improved organization of uploaded documents
- Automatically routing attachments to the appropriate team.

## What does this mean for you

These enhancements will help:

- Reduce submission errors and rework
- Ensure supporting documentation reaches the right team the first time
- Improve processing efficiency and turnaround times
- Provide a more intuitive and streamlined submission experience

## Training available

Want to explore all the features Availity has to offer? Access on-demand training anytime through the **Help & Training** section of [Availity.com](https://www.availity.com).

Before accessing the training, be sure that:

- You're logged in to Availity

Your browser allows pop-ups from the following sites:

- [Apps.availity.com](https://apps.availity.com)
- [Availity.com](https://www.availity.com)
- [Learnupon.com](https://www.learnupon.com)

## Register today

If your organization is not currently registered for Availity Essentials, the person in your organization designated as the Availity administrator should go to [Availity.com](https://www.availity.com) and select Get Started. If you need assistance registering with Availity Essentials, visit Availity Customer Support.

## Our commitment

We value our provider partnerships and remain focused on delivering tools that simplify your workflow and reduce administrative burden. Thank you for your continued partnership as we expand our digital capabilities.
