

MCG Cite Guideline Transparency Access-Availity

REFERENCE GUIDE

MCG Guidelines are proprietary to MCG. Molina is not able to distribute them without the permission of MCG. MCG has provided Cite Guideline Transparency tool that allows providers to view all MCG guidelines that Molina currently uses. By Following these instructions, you will have access to view MCG guidelines via Availity.

Step 1

Provider will login to Availity and navigate to Payer spaces drop down. They will select the appropriate option (Molina Healthcare, Passport, etc.)

Step 2

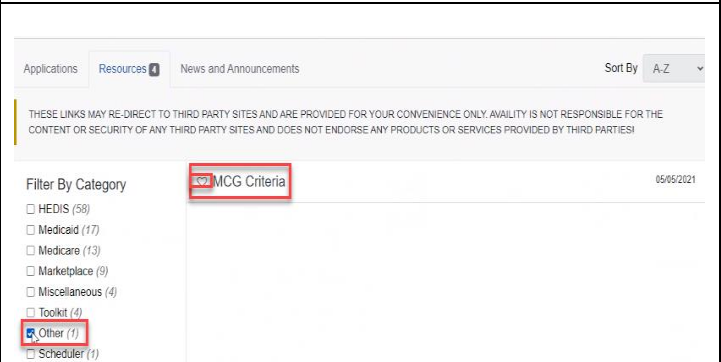

Select the Resources tab in the middle of the page

Step 3

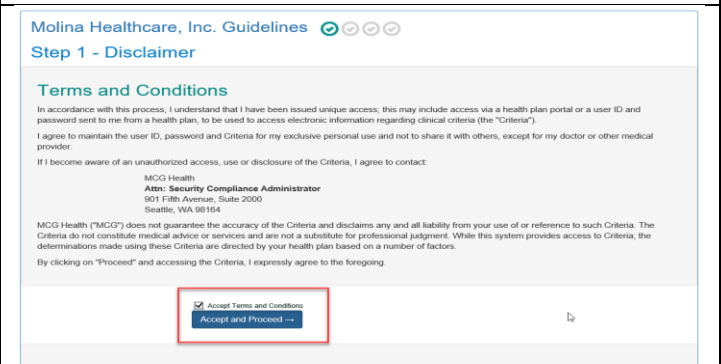

On the left side of the page under Filter By Category choose Other and then click on MCG Criteria

Note: Users can click on the Heart icon next to MCG criteria to save it to their favorites for easier navigation.

Step 4

On the Disclaimer page you must read and "Accept Terms and Conditions" to proceed to next page.

Step 5
